INTELLECTUAL PROPERTY FILING PACKET

Corporate Readiness and Attachment Pack

Documentation prepared for intellectual-property registration in Malabo.
Responsible founder: Benjamin Bob Bechiro. Company: BeCorps.

Document Control

Title:	Corporate Readiness and Attachment Pack
Product:	National Digital Addressing System
Responsible founder:	Benjamin Bob Bechiro
Company:	BeCorps
Document type:	Readiness checklist
Status:	Supporting document for intellectual-property registration preparation in Malabo.

Purpose

This document organizes the corporate attachments that should accompany the intellectual-property filing packet. It does not replace official certificates issued by authorities; it identifies the evidence to attach when available.

Presentation identity

- Responsible founder: Benjamin Bob Bechiro.
- Presented company: BeCorps.
- Technology product: National Digital Addressing System.
- Filing packet location: Malabo, Republic of Equatorial Guinea.

Corporate attachments required

- Company registration certificate, once issued by the competent authority.
- Identity document of the founder or authorized representative.
- Company address or contact address.
- Business activity/object document covering software, data, geolocation, digital infrastructure, and automation.
- Any mandate or authorization if a third party files the packet.

Responsibility statement

- Benjamin Bob Bechiro states responsibility for conception, design, implementation, architecture, product direction, and documentation coordination of the system.
- Technical evidence is attached as support for authorship, originality, functional scope, and version control.
