Intellectual Property Ownership Declaration

Documentation prepared for intellectual-property registration in Malabo.
Responsible founder: Benjamin Bob Bechiro. Company: BeCorps.

Document Control

Title:	Intellectual Property Ownership Declaration
Product:	National Digital Addressing System
Responsible founder:	Benjamin Bob Bechiro
Company:	BeCorps
Document type:	Declaration
Status:	Supporting document for intellectual-property registration preparation in Malabo.

Purpose

This declaration states the responsible authorship and presented ownership for the system, its modules, documentation, and technical materials.

Main declaration

- Benjamin Bob Bechiro, founder of BeCorps, declares responsibility for the conception, design, implementation, and technical direction of the National Digital Addressing System.
- BeCorps is presented as the business vehicle responsible for operation, maintenance, support, and administrative presentation of the system.
- The presented ownership covers software, interfaces, functional logic, technical documentation, architecture, operating processes, data standards, and associated training materials.

Protected scope

- Citizen location submission and address tracking
- Field evidence capture and review
- Registry review and official address records
- Road, building, territory, and administrative-unit management
- Publication governance, certificates, signage, and public proof
- Reports, activity review, exports, audit logging, and access administration
- Technical documentation, operational documentation, manuals, version registers, API specifications, data model, and GIS standards.

Exclusions

- No ownership is claimed over official State symbols, public institution names, third-party basemaps, or official data belonging to the Government.
- This declaration is limited to the developed system, its documentation, implementation design, and proprietary components.
