Document Control

Title:	Trademark and Distinctive Signs Portfolio for OAPI
Product:	National Digital Addressing System
Responsible founder:	Benjamin Bob Bechiro
Company:	BeCorps
Document type:	Portfolio
Status:	Supporting document for intellectual-property registration preparation in Malabo.

Purpose

This portfolio organizes names and signs that may be prepared for search, reservation, or registration through the competent OAPI channel.

Signs to review

- BeCorps
- Sistema Nacional de Direccionamiento Digital
- National Digital Addressing System
- Company logo once approved.
- Product logo or mark once approved.
- Associated public-service names if registration is later chosen.

Classes and scope to confirm

- Software recorded or protected as a computer program.
- Software, data, geolocation, digital mapping, and technology infrastructure services.
- Consulting, implementation, support, training, and technical maintenance.

Recommended actions

- Perform availability search before filing.
- Prepare a clean graphical representation of each sign.
- Confirm classes with an advisor or competent authority.
- Separate company marks from descriptive system names where appropriate.
